AFTERNOON TEA

TEA SELECTION

Twinings English Breakfast Tea

Golden and well rounded. It's a tea with a lot of body and a light finish.

Twinings English Breakfast

Decaffeinated Tea

Bright and refreshing, it's made from only the finest tea leaves, which have been decaffeinated. So now you can have all the taste of a good cup of tea but with less caffeine.

Twinings Pure Green

Steamed and pan-fired. A natural source of antioxidant manganese. Smooth, earthy, mellow with a little lift in every sip.

Twinings Earl Grey

A delicate tea with a delicious twist of citrusy bergamot.

Twinings Peppermint

Rebalance with sips of minty peppermint refreshment. Crisp, velvety, summer-green peppermint. Cool, sweet, lingering.

Twinings Lemon & Ginger

Revive your senses with real pieces of warm, spicy ginger blended with the fresh, zesty taste of lemons.

Twinings Cranberry & Raspberry

The tart sweetness of cranberries, balanced with the gentle tang of raspberries and a touch of fragrant elderflower.
